

What is Goodsearch?

Goodsearch is a simple way to make a difference -- each time you search the web (through Yahoo!-powered Goodsearch), shop online (at the 2,800+ stores on Goodshop), we'll make a donation to your favorite cause. We know you have limited time and money and we've created our products to make giving back easy. Goodsearch is a patent-protected, Yahoo!-powered search engine that you use exactly as you would any other search engine. The difference is, and here's the exciting part, each time you do a search, about a penny is raised for your favorite non-profit or school. The more you search, the more you earn for your cause and combined with millions of others in the Goodsearch movement, your searches can make a real impact. Put simply: you search, we give!
