

Summer Intensives 2018

June 4 - 22, 2018 June 4 - 22, 2018 June 4 - 22, 2018

If you want to participate in a community of bold imagination, if you want to learn with the best and from the best, if you know in your soul what an innovative spirit can achieve, and if you want a great education that will prepare you for a creative and fulfilling career....Stivers School for the Arts students have an opportunity to engage in an arts immersion experience beyond the regular school year.

Don't miss this opportunity to develop your portfolio under the direction of leading professionals. Sharpen your skills and develop media mastery while creating new works.

Studio capacity is limited so apply early. Refresh your creative voice through execution and application. Kindly deliver completed applications to your Art Magnet Office.

I am registering for:

- Half Day 9:00 AM - 11:30 AM**
Middle School Observational Drawing - **Visual Arts Beginning and Intermediate only**
- Full Day 9:00 AM - 2:30 PM**
- Photography - **open to high school students who have taken one semester of Beginning Photography**
- Painting - **open to high school students who are in the Visual Arts Magnet**
- Ceramic Sculpture - **open to high school students, all magnets**
- Photography - **open to high school students, all magnets**

The cost of attending either a Full Day or Half Day course is only \$25 for all 3 weeks (upon completion of the Scholarship Application process). This registration form will be accepted through May 25, in the Magnet Office. Please print all information in blue or black ink.
