****Restock supplies often. Binders will probably need to be replaced 2nd semester☺****

A FEW TIPS BEFORE WE START☺

* **PLEASE** tell your child that it is **NOT** necessary to visit lockers every period. Also, students are not permitted to share lockers or their combination with their friends.

* Be aware that our lockers are only 9 inches wide when purchasing a book bag. They need to be stored during the day. Book bags are **NOT** permitted in 7th grade classrooms.

* "Stivers Spirit Day" is every Friday. Wear your orange and black!
"2023" T shirts will be available for purchase during 1st quarter☺

* Progress reports will be sent home bi-weekly, and must be returned signed for points, from language arts, math, math lab, science and social studies. This along with HAC (grades are also online available 24/7) is your way of tracking your child's grades so contact the Cluster Leader, Mrs. Hitchcock (542-7418), immediately if you are not receiving them.

* Have a weekly backpack/folder clean out! Organization is a major key to success in middle school.

* A syllabus will come home the first week from every teacher. **PLEASE** read them for specific details, sign and return to the appropriate teachers.

* Have students leave electronic devices at home. There are phones in our rooms if they need to contact home or if you need to contact them. There is no time during our busy days to play games or listen to music ☺

*Visit the library at least twice a month to check out books and **READ** every night! **READING** really is the tool to success!

*Practice your multiplication facts. This is the #1 skill to make your 7th grade math classes a success☺

7th GRADE CLUSTER RULES

1. **Attitude is everything...so make yours positive☺**
2. **A "Professional Presentation" of ALL work is expected in ALL classes.**
3. **Disruptive or disrespectful behavior in or out of the classroom will NOT be tolerated.**
4. **Tardiness is unacceptable. All students must be in their assigned seats ready to begin class with appropriate materials when the bell rings. School starts at 7:45 am.**
5. **All students must remain in assigned seats unless otherwise instructed.**
6. **Book bags (of all sizes) must be stored in assigned lockers during classes.**
7. **Restroom visits are not permitted during class unless it is an emergency. Use the restroom between classes.**
8. **No food or drinks are permitted in the 7th grade classrooms or hallways.**
9. **No locker visits during class - bring all materials needed to class.**
10. **Electronic devices are not permitted in the 7th grade classrooms.**
11. **Attitude is everything...so make yours positive☺**

CONSEQUENCES

1. Name and behavior recorded in "THE BOOK".
2. Student or teacher calls parent or guardian.
3. Detention with teacher.
4. Office Referral.
